Please oppose SB 16

An act addressing gun violence and juvenile crime.

Some of this bill goes in the right direction. I agree that we need to do more to stop illegal gun trafficking and reduce juvenile recidivism, but the rest of this bill is just plain wrong. It makes more sense to go after the criminal rather than place more restrictions on the legal gun owner.

In addition I also oppose house bill number 5416 – an act concerning bulk purchases of pistols and revolvers. This is truly stepping on the rights of a legal gun owner and the second amendment

I do however support raised senate bill number 388 raised house bill number 5415 and raised house bill number 5412. I believe these bills will make a safer Connecticut.

Thank you for your consideration
